

Picture terms and conditions Study association Psychology in Nijmegen (SPiN)

During activities of SPiN pictures will be taken that will include members on it. The association finds it her responsibility to protect your privacy. Because of this form, you will be informed in where the pictures will be published. These terms and conditions are applicable to all services of SPiN. The association makes sure to take care of your personal information and that it will be handled and stored with care.

1. Website

The pictures that will be taken at activities will be published on the website of SPiN. These pictures are protected and can only be seen after logging into your personal account with a password. Only members are entitled to have an account. The pictures are therefore not publicly available, but only by members of SPiN. Pictures will be filtered because put online on the website. These pictures are online for three years.

2. (Social) Media

Pictures can also be put online on social media channels of SPiN. The current existing social media accounts of SPiN are: Facebook, Instagram and LinkedIn. Also, pictures can be published in the magazine of SPiN: 'HersenSPiNsels', and/or in the almanac. In the magazine pictures of people from further away and pictures that recreate the feeling of the atmosphere will be published, and/or pictures of specific people that gave their permission to publish that specific picture. In the almanac also personal pictures are published. The (social) media channels are on public settings.

Publishing of the pictures happens automatically, unless objections have been notified by the specific member. Objections can also be made after publications after which the pictures can still be taken offline.
